COMPANY PROFILE

ABOUT US

At Navrang Steel, we Pride ourselves on being a Trusted and Reliable Stockist and Distributor of Stainless Steel and Nickel Alloy Pipes. With a Rich History spanning over 25 years, we have established ourselves as a leading player in the industry.

OUR HUMBLE BEGINNINGS

Founded in 1996 by our Managing Director, Mr. Mangilal Chandan, Navrang Steel began its journey with a clear vision: to provide high-quality Stainless Steel and Nickel Alloy Pipes to customers across various industries. Over the years, we have grown and evolved, but our commitment to excellence has remained unwavering.

OUR LEADERSHIP TEAM

Our leadership team consists of experienced professionals who share a passion for delivering exceptional value to our customers.

- **Mr. Mangilal Chandan**, Managing Director: A visionary leader with over four decades of experience in the Stainless Steel Industry. Under his guidance, Navrang Steel has become a trusted name in the market.
- **Mr. Bhavesh Chandan**, Director of Business Development: A strategic thinker with a keen eye for innovation. He has played a pivotal role in expanding our product portfolio and exploring new markets.
- **Mr. Vikas Chandan**, Director of Sales: A seasoned sales professional with an in-depth understanding of customer needs. He has built strong relationships with our clients, ensuring that they receive personalized service and support.

OUR EXPERTISE

As a specialist in Stainless Steel and Nickel Alloy Pipes, we offer an extensive range of products that cater to diverse industry needs. Our portfolio includes:

- Stock Program of Stainless Steel and Nickel Alloy Pipes in various Grades and Sizes
- International Sourcing and Procurement Services
- Manufacturers' Representation for leading global brands

Thank you for considering Navrang Steel as your trusted partner for Stainless Steel Pipes and Nickel Alloy Pipes. We look forward to serving you.

WE OFFER WHAT WE COMMIT

OUR VALUES

At Navrang Steel, we are driven by a set of core values that guide our actions and decisions:

- **Customer-centricity:** We prioritize our customers' needs, delivering tailored solutions to meet their evolving requirements.
- **Quality Excellence:** We maintain the highest standards of quality in our products and services, ensuring reliability, durability, and performance.
- **Integrity and Transparency:** We operate with honesty, ethics, and transparency, upholding the trust of our customers, suppliers, and stakeholders.

OUR MISSION

Our mission is to deliver exceptional value to our customers by providing high-quality Stainless Steel Pipes and Nickel Alloy Pipes, expert technical support, and responsive customer service. We strive to build long-term relationships with our Customers, Suppliers, and Partners, and to contribute to the growth and development of our community.

MANAGEMENT SYSTEM CERTIFICATES

QUALITY POLICY

We are committed to delivering high quality products and services that meet or exceed our customers expectations, and continually improving our processes to enhance customer satisfaction and quality excellence.

INDUSTRIES WE SERVE: PROVIDING SPECIALIZED PIPE SOLUTIONS

ENERGY SECTOR

1. Oil and Gas: Offshore platforms, pipelines, refineries, and petrochemical plants
2. Power Generation: Nuclear, thermal, and renewable energy power plants
3. Renewable Energy: Solar, wind, hydro, and geothermal energy applications

PROCESS INDUSTRIES

1. Chemical Processing: Chemical plants, fertilizer plants, and pharmaceutical facilities
2. Food and Beverage: Food processing, breweries, and dairy plants
3. Pharmaceuticals: API manufacturing, vaccine production, and medical device manufacturing

INFRASTRUCTURE & CONSTRUCTION

1. Water and Wastewater: Desalination plants, water treatment plants, and sewage systems
2. Transportation: Marine, automotive, and aerospace applications

OTHER KEY MARKETS

1. Pulp and Paper: Pulp mills, paper mills, and tissue manufacturing
2. Mining and Minerals: Mining equipment, mineral processing, and smelting
3. Aerospace and Defense: Aircraft, spacecraft, and defense equipment manufacturing
4. Semiconductor: Chemical Delivery Systems, Gas Distribution and Vacuum Applications
